44. Upgrades - In the event that You exceed the limits of Your current subscription outlined in Your Customer Registration at any time during the Contract Period, You will automatically be upgraded to a new subscription tier. You must pay a pro-rata amount equal to the difference between the Fees outlined in Your Customer Registration and the price of Your new subscription tier. It is agreed that the outstanding Fees are either a fee for service and in consideration of Us making Our Services available for the Contract Period or Subsequent Term (as the case may be) and/or is not a penalty and is a genuine pre-estimate of the loss we will suffer from early termination, bearing in mind Our Services are a SaaS service.

50. Refunds – If You cancel Our Services provided to You, or your access to Our Services is cancelled or suspended by Us in accordance with these terms, You understand that you are not entitled to a refund of any prepaid amount since such Fees are made in consideration of making Our Services available for the Contract Period (or Subsequent Period). - An amount equal to one year’s Fees under this document;
- Minus any amount which You recover from another third party as a result of an action by You against that third party, and notwithstanding any other provision of this Agreement, neither party will be liable to the other under this Agreement in contract, tort or otherwise;
- To the extent that any loss is caused or contributed to by the negligence or default by the other party or their personnel;
- For any indirect consequential loss related to or connected with this Agreement.

For the avoidance of doubt, this clause does not exclude or limit Your liability for the payment of Fees under this Agreement.

56. Terms Implied by Law – Where legislation implies in this Agreement any condition or warranty, and that legislation avoids or prohibits provisions in a contract excluding or modifying the application of or exercise of or liability under such condition or warranty, the condition or warranty shall be deemed to be included in this Agreement.

However, Our liability for any breach of such condition or warranty shall be limited, at Our option, to one or more of the following:

- (A) The supplying of the services again; or
- (B) The payment of the cost of having the services supplied again.

Sub-Contracts

57. Our Right – We may sub-contract for the performance of this Agreement without Your prior consent, provided that We remain responsible for our obligations to You under this Agreement.
